ITEM 1 – United Way of Connecticut 2-1-1 System - Presented by Richard J. Porth

Mr. Porth briefed the officials on the several services offered by the *United Way of Connecticut 2-1-1 System*, including means to reduce the call volume to 9-1-1 centers. Their mission (described in the distributed brochure) is to assist municipal leaders disseminate free information, education, and connections to health and human services to Connecticut residents. Mr. Porth encouraged municipal website linkage to the *2-1-1 System* and added that access is available twenty-four hours per day, seven days a week.

A comprehensive resource data base is available online at www.211ct.org. Last year, over 360,000 *2-1-1 System* calls were handled, including requests for specialized services, i.e. referrals to licensed childcare homes and centers, child development information, the HUSKY Program, and Care 4 Kids, a Connecticut childcare subsidy program for low-income working families.

Mr. Porth thanked the Chairman and acknowledged the support received from the other local United Ways in the state.

ITEM 2 – Community Leadership Program

Ms. Mary Ann Emswiler, a marketing representative for the Community Leadership Program, announced that twenty new members, from a pool of sixty people, were going to be selected for membership. Current members include nonprofit leaders, community leaders, executives, board members, and people committed to the Greater New Haven region. Leading this Program are Dr. Heidi Brooks, from the Yale School of Management, and William Graustein, co-leader of the Program since its inception in 2002.

Ms. Emswiler stated that members meet monthly on seven Fridays from September to April and are required to attend two weekend retreats—one in May and the other in October. There is no cost. To apply, the applicants are asked to write a one to one-and-one-half page letter stating who they are, why they are interested, and why they think the Program matters. Ms. Emswiler encouraged the officials to consider applying. The application deadline is June 4, 2010.

ITEM 3 – Legislative Reports

State Legislation

Status reports on passed House and Senate Bills tracked for SCRCOG were distributed. Executive Director Amento thanked Mona Beavis for preparing the reports and noted that since the last SCRCOG meeting several more of those bills had become *Public Acts*. Officials were advised to contact SCRCOG, or to visit the state's legislative website, (www.cga.ct.gov) should additional information on any particular bill be desired.

Federal Report

Louis Mangini, Legislative Aide to Congresswoman Rosa DeLauro, reported that the process of marking up the appropriation bills was underway in Washington. Within the next couple of weeks, they would likely be knowledgeable of the earmarks SCRCOG was requesting.

Mr. Mangini stated that the House is expected to pass a supplemental emergency appropriations bill shortly which includes \$23 million for school aid and education, although passage by the Senate is unlikely.

The officials were informed by Mr. Mangini of the several tiers in unemployment benefits. All tiers add to a ninety-nine week ceiling. In the beginning of May, approximately 10,000 people reached that ceiling and 1,000 more are expected to hit that threshold, unless Congress takes action. Benefit extensions are unlikely.

ITEM 4 – SCRCOG Minutes of April 28, 2010

Board Secretary, First Selectman DaRos, referenced pages 2 -7 in the agenda packet containing the *SCRCOG Minutes*. First Selectman DaRos offered a motion, seconded by Mayor Richetelli, to adopt the *Minutes of April 28, 2010*.

Awareness of an error in the last sentence under *Item 11– DEMHS Region 2 Report* was raised by Roy Piper, DEMHS Region 2 Coordinator. *Clinton*, should be changed to *Windham County*. The sentence should read, “The President denied individual assistance to homeowners and small businesses for those in the four counties along the coastline and *Windham County*.” With this correction noted, the motion passed by unanimous vote.

ITEM 5 - Treasurer’s Report for the Month Ending April 30, 2010

The *Treasurer’s Report*, located on pages 8 and 9 in the agenda packet, was presented by the Board Treasurer, Mayor Picard. Mayor Picard stated that there is \$566,000 in cash and investments and \$226,000 is due from the Connecticut Department of Transportation. Monthly expenses included \$60,000 for consultant services for transportation planning and greenway trail projects. He reported that \$10,600 was received from the Office of Policy and Management. This was OPM’s contribution to the current year’s regional planning expenses.

A motion by Mayor Picard, seconded by Mayor Candelora, was offered to adopt the *Treasurer’s Report for the month ending April 30, 2010*. With no further remarks, the motion passed by unanimous vote.

ITEM 6 – Transportation Committee Report

2010-2013 TIP Amendment Six (Three State Projects)

1. **State Project No. 0059-0158 – Guilford Pavement Preservation**
Pavement preservation of Stepstone Hill Road from Route 77 to Valley Shores Road with an approximate project length of 4,200 ft. This amendment will increase ARRA funding by \$85,000 and will remove local funding. This action is necessary based on low bid. A portion of unexpended ARRA funds will be used.
2. **State Project No. 0092-0532 – New Haven I-95 Quinnipiac River Bridge Construction B**
Construction of a new 10-lane bridge across New Haven Harbor between Route 34 / I-91 Interchange and Stiles Street. This amendment will increase FFY 2010 bridge system funds from \$65 million to \$95 million and will decrease FY 2011 bridge system funds from \$125 million to \$67 million.
3. **State Project No. 0171-0350 – Epoxy Pavement Markings on Interstate Routes**
This project is for the installation of epoxy markings on interstate routes. Amendment Six introduces a new ARRA-funded project and approval is necessary to re-obligate unexpended ARRA funding balances from FY-2010 Pavement Markings Program prior to the Sept. 30, 2010 deadline.

SCRCOG’s Transportation Committee Chairman, Mayor Dickinson, offered a motion to approve the three projects in *FY-2010 – FY-2013 TIP Amendment Six* for inclusion into the *State Transportation Improvement Program*. First Selectman Mazza seconded. There was no further discussion. The motion passed by unanimous vote.

ITEM 7 – Approve Incumbency Certificate for Regional Transportation Planning Program

The *Incumbency Certificate* was explained by Executive Director Amento. This is a required document for the Transportation Planning Program. It indicates and certifies First Selectman Zeoli as the duly appointed *Chairman of SCRCOG* and *Carl J. Amento* as the duly appointed *Executive Director*.

A motion was offered by First Selectman McPherson, seconded by Mayor Richetelli, to approve the *Incumbency Certificate* for the Transportation Planning Program. The motion passed by unanimous vote.

ITEM 8 – Executive Director’s Report

Executive Director Amento advised the officials that his written report was available in the agenda packet (pages 18 and 19). A summation of that report was then given.

- **Sustainable Communities Planning Grant**

Executive Director Amento stated that the *Sustainable Communities Planning Grant* process was moving along. Pursuant to SCRCOG’s authorization last month, Philip Michalowski, a Planning Consultant with Milone and MacBroom, Inc., has been engaged to assist with the federal grant applications. Executive Director Amento reported that both he and Mr. Michalowski have been attending weekly meetings with area representatives from New York, New Jersey, and Connecticut regarding the *Tri-State Metropolitan Sustainable Communities Initiative*.

Executive Director Amento added that the Hartford-Springfield Team is generating grant application materials as well and those materials are being monitored. The *Notice of Funding Availability* was delayed and probably would not be issued until June. Executive Director Amento indicated that further advice would be sought from the Executive Committee to determine which team’s application(s) SCRCOG should join.

- **Tweed New Haven Airport Authority Appointment**

Executive Director Amento reported that there was one vacancy on the 15-member Tweed New Haven Airport Authority Board that needed to be filled by July 1, 2010. Three of the fifteen were appointments made by SCRCOG. They were: *Diane Wishnafski’s*, whose term expires on June 30, 2010 and she does not wish to be reappointed; *Thomas Scarpati*, whose term expires on June 30, 2011; and *Salvatore Catardi*, who passed away on April 28, 2010. Due to the recent legislation (PA-09-7) memorializing the agreement between East Haven and New Haven, the number of appointees allowed by SCRCOG was amended from three to two. The Executive Director advised the officials to give consideration to the filling of this vacancy with someone from outside New Haven and East Haven.

- **Proposed Change to Employee Health Insurance Plan**

Details of the new high-deductible Aetna Health Insurance, Dental Plan, and Health Savings Accounts for SCRCOG employees were explained at the last SCRCOG meeting. These benefits will take effect June 1, 2010.

- **Fit-Out of SCRCOG Offices to Accommodate Four RGP Employees by July 1, 2010**

Executive Director Amento briefed the officials of the new office configuration planned to accommodate the Regional Growth Partnership’s Executive Director and their other employees.

Executive Director Amento stated that an office rental lease was negotiated with the landlord, including free office fit-outs and reduced rate. A five-year lease extension was received yesterday that needs to be executed before the office fit-outs can be undertaken. He requested this item be added to the agenda for further discussion. The Chairman concurred with his request.

- **Summer Intern Starts June 1, 2010**

Executive Director Amento reported that a University of Connecticut graduate student, Christopher Rappa, will start work June 1 as a summer intern. Having experience in geography, ArcGIS, and TransCAD, he will be able to assist SCRCOG staff with archiving and mapping projects.

ITEM 9 – Adopt Proposed Amendments to SCRCOG By-laws

The proposed amendments to the *SCRCOG By-laws* were distributed at the last SCRCOG meeting, as required. An overview of three of the proposed amendments, detailed on pages 20-23 in the agenda packet, was presented by Executive Director Amento.

- The first proposed amendment communicated was the change in the audit deadline from September to November.
- The second amendment proposed was the methodology for dispensing meeting notices to the representatives. Notices would be delivered by hand, electronically, or via facsimile transmission at least seven (7) days, instead of (10) ten days, prior to the meeting date.
- The third amendment addressed was the allowance for direct electronic deposit processing of payroll checks with the words, “*when authorized in writing in advance by SCRCOG’s Executive Director or Treasurer*” added. SCRCOG selected the New Alliance Bank as the provider of this service at a monthly fee of \$35.

A motion was presented by Mayor Richetelli, seconded by First Selectman DaRos, to adopt the proposed amendments to the *SCRCOG By-laws*. Mayor Dickinson opposed the proposed amendment allowing for the direct electronic deposit processing of payroll checks due to the added cost. Upon majority vote, the motion was carried.

ITEM 10 – SCRCOG Appointment to the Tweed-New Haven Airport Authority

Per recommendation by the Chairman, this item will be addressed at the next SCRCOG Meeting.

ITEM 11 – Reports by RGP Executive Director Ginny Kozlowski and York & Chapel

RGP Executive Director, Ginny Kozlowski, presented a few updates that were not included in her report. She stated that Willard Taylor, from the Economic Development Administration, would be here next Friday, at which time their first draft of their *Economic Development District Designation Submission* would be distributed. RGP is eagerly awaiting its approval.

She announced that the Strategic Planning Committee was meeting May 27 at 900 Chapel Street, New Haven to review the update to the CEDS and to prioritize the CEDS projects. Mr. Joe Ferrari, from the Environmental Protection Agency, is expected on June 8 to view the Meriden petroleum clean-up project. The Goodrich Street/Daisy Street Project is well underway as is the new Front Street project in New Haven. Another EPA project is possible in West Haven.

The marketing firm, *York & Chapel*, was selected as RGP’s new marketing agency. Ms. Kozlowski introduced the *York & Chapel* team: Kevin Heslin, from the New York office, David Ho, and Tom Cook. RGP’s Marketing Committee Chairman is Mayor Picard.

A narrated slide presentation by *York & Chapel* expounded the economic development potentials of this region. Mr. Heslin announced that the Regional Growth Partnership (RGP) is being renamed to *Regional Economic Xceleration*. The new marketing acronym will be **REX**. Mr. Ho elaborated on the design, colors, and energy of the acronym logo and the new REX website. Proactive economic development marketing and communications are being planned utilizing Facebook, *Twitter*, and other various website navigations.

ITEM 12 – Adopt Resolution of Support for RGP’s Application for an Economic Development District Designation

Chairman Zeoli noted that an economic development district designation for this region would allow execution of state and federal funded economic development programs identified in the South Central Connecticut Region’s Comprehensive Economic Development Strategy (CEDS).

A motion to adopt the *Resolution of Support* for West Haven's application for a federal economic development administration grant to replace a bulkhead along the West River area of New Haven Harbor was presented by Mayor Picard. First Selectman DaRos seconded. Upon unanimous vote, the motion passed.

ITEM 14 – Roy Piper - DEMHS Region 2 Coordinator

Mr. Piper stated that Region 2's Regional Emergency Planning Team met earlier this month and passed their budget for this year. Essentially, this is the \$1 million FY-2009 federal fiscal year homeland security grant for Region 2. Mr. Piper said the next step in the process is the mailing of Memorandum of Agreements to all thirty towns on June 1. He requested they be signed and returned to DEMHS as quickly as possible so the money would be available to begin the projects approved and voted on by the REPT.

Last month, Mr. Piper presented a report addressing the March storms. He informed the officials that the State had received the disaster declaration for public assistance, but individual assistance had been denied. Many residents utilized the *211 System* for reporting damages from the storm to their homes and many of those homes were surveyed by DEMHS. Today, DEMHS is sending an appeal letter to the governor's office requesting individual declarations of assistance to be reconsidered for the four coastal counties and Windham County.

1. Sustainable Communities Planning Grant

SCRCOG is working cooperatively with other regions to eventually apply jointly for a \$5 million federal grant for planning and implementation of projects that enhance transportation, housing, environmental and economic development objectives. Our consultant planner, Phil Micholowski and I have continued to be actively involved in meetings of a Tri-State Metropolitan applicant team that includes northern New Jersey, New York City, Westchester County, and the Stamford and Bridgeport areas. We have also monitored activities of the Hartford-Springfield applicant team. Recently, Commissioner MacDonald of DECD summoned us to a meeting in her office to discuss the possibility of the two teams combining forces into one application. We are still awaiting issuance of the Notice of Funding Availability (NOFA), which will define which entities can be applicants and to what extent grant funds can be used for implementation.

2. REX Development's Move to SCRCOG Offices

REX Development, formerly Regional Growth Partnership (RGP), will be completing their move to SCRCOG's offices by the end of June. SCRCOG's landlord (Candid Group, LLC) has built three new offices within SCRCOG's office space for use by REX. The work is being done at no cost to SCRCOG or REX. We have been busy coordinating furniture, computers, phone systems, printers, copiers, etc. to make the transition go smoothly.

3. Barbara Bograd Leaving SCRCOG Employment

Secretary / Receptionist, Barbara Bograd, will be leaving SCRCOG's employment at the end of the month. Barbara has worked part-time for SCRCOG for nearly ten years. We will miss her always positive and personable demeanor, and we wish her well on her new endeavors.
