Data includes one-day counts taken July 17th and July 18th. Data also includes the results from the same quarter over the past five years. Vehicles parked adjacent to commuter lots are included in the count total and represent demand.

(1) Data for Union Station is supplied by New Haven Parking Authority. This number only reflects cars entering the facility on July 18 and does not reflect cars already in the facility. When combined with the number of cars already in the facility on that day the garage reached maximum capacity at 11AM with 1145 vehicles parked out of 1145
