**Indigo Woods Trail**

**Trail Description:**

**Easy Hike**

The Indigo Woods Trail is an easy loop contained entirely on private lands within a Conservation Easement along the Neck River. It affords fine views of the River, especially in winter and spring in times of high water. It passes near and along the sluice way wall of an historic sawmill dam site. An extended hike is possible via a short spur trail that leads to trails on other private land which, in turn, connect to other MLCT trails.

*Total trail length is approx. 0.68 miles*
