Carl J. Amento, Executive Director

Resolution

Fiscal Year 2018-Fiscal Year 2021 Transportation Improvement Program Amendment Twenty

Whereas: U.S. Department of Transportation “Metropolitan Planning Regulations” (23 *CFR* 450) prescribe that each metropolitan planning organization maintain a financially constrained multi-modal transportation improvement program consistent with a *State Implementation Plan for Air Quality (SIP)* conforming to both U.S. Environmental Protection Administration-established air quality guidelines and *SIP*-established mobile source emissions budgets; and

Whereas: The Council, per 23 *CFR* 450.324 and in cooperation with the Connecticut Department of Transportation (ConnDOT) and public transit operators and relying upon financial constraints offered by ConnDOT, adopted a *Fiscal Year 2018-Fiscal Year 2021 Transportation Improvement Program* on July 26, 2017, after finding the *Program* conforming per U.S. Environmental Protection Administration (U.S. EPA) final conformity rule (40 *CFR* 51 and 93) and relevant Connecticut Department of Transportation air quality conformity determinations: *Air Quality Conformity Reports: Fiscal Year 2018-2021 Transportation Improvement Program* and the Region’s *Metropolitan Transportation Plans—2019 to 2045, (April, 2019)*; and

Whereas: The Council, on *July 26, 2017*, indicated that periodic *Program* adjustment or amendment was possible; and

Whereas: Projects referenced in the *Program* amendment (below) are consistent with the region’s long-range transportation plan (*South Central Regional Metropolitan Transportation Plan—2019 to 2045, (April, 2019)*); and

Whereas: Council *Public Participation Guidelines: Transportation Planning* have been observed during the development of the proposed *Program* amendment (below); and

Whereas: By agreement between the Council and the Connecticut Department of Transportation, public involvement activities carried out by the South Central Regional Council of Governments in response to U.S. Department of Transportation metropolitan planning requirements are intended to satisfy the requirements associated with development of a *Statewide Transportation Improvement Program* and/or its amendment; and

Whereas: Council of Governments’ review of transportation goals, projects and opportunities may result in further adjustment or amendment of the *Program*.

Resolution

Fiscal Year 2018-Fiscal Year 2021 Transportation Improvement Program Amendment Twenty (continued)

Now, Therefore, Be It Resolved By the Council of Governments:

The Program *Amendment Twenty* shall be transmitted to the Connecticut Department of Transportation, for inclusion in the *State Transportation Improvement Program*

The undersigned duly qualified and acting Secretary of the South Central Regional Council of Governments certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the South Central Regional Council of Governments on **February 26, 2020**

Date February 26, 2020

By: _____
First Selectman Matthew Hoey, *Secretary*
South Central Regional Council of Governments
