

SURVEY EXTENDED UNTIL SATURDAY, OCTOBER 30, 2021

HOUSING PLAN SURVEY

SOUTH CENTRAL REGION, CONNECTICUT

Your input and participation is essential in helping understand and address housing needs in your community and across the region.

The South Central Regional Council of Governments (SCRCOG), which brings together local governments to coordinate municipal services, transportation, and land use planning programs, is helping municipalities in the region to create housing plans tailored to each city/town's individual housing markets and needs.

The link below and QR Code will take you to the housing survey with options for English or Spanish and will be open from **September 14 to October 15, 2021**. Paper versions of the survey are available upon request.
