

2021 HOUSING SNAPSHOT CITY OF MILFORD

Municipal leaders in partnership with the South Central Regional Council of Governments (SCRCOG) are taking steps to expand housing opportunities. Milford is taking part in SCRCOG's Housing Initiative, learning about strategies and tools as it seeks to serve the changing housing needs of its residents. Appropriately-priced homes can provide access to jobs, transportation, childcare, recreation, and other vital services. The opposite is also true, not having appropriately-priced homes can deny those same important opportunities.

Housing Burden

Households who spend more than

30%

of their income on housing are considered "cost-burdened."

In Milford the percentages are:

45%

OF RENTERS

26%

OF HOMEOWNERS

37.31% of the combined renters & homeowners in the SCRCOG Region and 39.61% in Connecticut are cost-burdened.

Housing Wage

In Connecticut, the Fair Market Rent, as calculated by the US. Department of Housing and Urban Development (HUD), for a two-bedroom apartment is:

\$1,423

To not be considered cost-burdened, a household must have an income of at least:

\$4,743

per month

OR

\$56,922

per year

Housing wages are an estimate of the per hour earnings an individual working full-time must receive to afford a two-bedroom rental property.

**Milford's
Housing Wage***

\$34.33

per hour

**Connecticut's
Housing Wage**

\$27.37

per hour

Housing and Transportation Index

The Housing and Transportation index describes the percent of income as household spends on housing and transportation costs combined.

The Milford Average is 62%.
The SCRCOG Region Average is 55%.

Living within ½ mile from a transit station can reduce transportation expenses of a household budget.

ALICE Survival Budget

The ALICE Household Survival Budget, based on county-level data, is the bare minimum cost of basics household expenses necessary to live and work in the modern economy. These basic budget items include housing, child care, food, transportation, technology, and health care, plus taxes and a contingency fund equal to 10% of the household budget.

The annual total household survival budget for a family of four (two adults, one toddler, and one infant) in the Milford Area is:

\$90,732
