Municipal leaders in partnership with the South Central Regional Council of Governments (SCRCOG) are taking steps to expand housing opportunities. West Haven is taking part in SCRCOG’s Housing Initiative, learning about strategies and tools as it seeks to serve the changing housing needs of its residents. Appropriately-priced homes can provide access to jobs, transportation, childcare, recreation, and other vital services. The opposite is also true, not having appropriately-priced homes can deny those same important opportunities.

### Housing Burden

Households who spend more than 30% of their income on housing are considered "cost-burdened."

In West Haven the percentages are:

- **51% of renters**
- **38% of homeowners**

**37.31%** of the combined renters & homeowners in the SCRCOG Region and **39.61%** in Connecticut are cost-burdened.

### Housing Wage

In Connecticut, the Fair Market Rent, as calculated by the US. Department of Housing and Urban Development (HUD), for a two-bedroom apartment is:

- **$1,423**

To not be considered cost-burdened, a household must have an income of at least:

- **$4,743 per month**
- **$56,922 per year**

Housing wages are an estimate of the per hour earnings an individual working full-time must receive to afford a two-bedroom rental property.

- **West Haven’s Housing Wage**: $27.69 per hour
- **Connecticut’s Housing Wage**: $27.37 per hour

Older homes are prone to disrepair and are expensive to maintain. It is also common for aged homes to contain hidden issues which pose long-term health risks such as asbestos and lead paint.

38.5% of the housing units in West Haven were built before 1949. There was a 92.5% decrease in homes built from 2000-2019.

54.6% of homes in West Haven are owner occupied.

38.5% of the housing units in West Haven were built before 1949. There was a 92.5% decrease in homes built from 2000-2019.

54.6% of homes in West Haven are owner occupied.

9,396 of 19,576 or 48% of all households are at the ALICE and poverty-level threshold.

Households that earn more than the Federal Poverty Level but less than the basic cost of living for the area are considered ALICE (Asset Limited, Income Constrained, Employed) households.

The ALICE Household Survival Budget, based on county-level data, is the bare minimum cost of basics household expenses necessary to live and work in the modern economy. These basic budget items include housing, child care, food, transportation, technology, and health care, plus taxes and a contingency fund equal to 10% of the household budget.

The annual total household survival budget for a family of four (two adults, one toddler, and one infant) in the Greater New Haven Area is:

$90,732
