NOTE: The September SCRCOG Executive Committee meeting was a hybrid meeting.

1. Call to order
   Chairman Hoey called the meeting to order at 9:07 a.m.

2. Adopt Minutes of July 27, 2022 SCRCOG Executive Committee Meeting
   First Selectman Cofrancesco presented the Minutes of the SCRCOG Executive Committee of July 27, 2022, which were included in the agenda packet at Pages 2-3. First Selectman Freda moved for their approval. Kevin Alvarez seconded the motion, which passed with all in favor.

3. Discussion of Proposed Process for Filling Vacancy in Director of Regional Planning and Municipal Services Position
   Executive Director Amento announced that Andy Cirioli, Director of Regional Planning and Municipal Services, would be leaving SCRCOG to become Assistant Town Manager in Plainville. Executive Director Amento presented the job description and draft job posting on pages 4-9 of the agenda packet. Laura Francis stated that while SCRCOG is looking for certain credentials, we would be willing to work with a lesser qualified candidate who would be willing to gain those credentials in the near future. Chairman Hoey suggested removing the five years of experience from the requirements. Laura Francis asked if the position should be listed as open until filled. Chairman Hoey responded yes, and that a two-week window should be enough time. First Selectwoman Lyons concurred.

4. Discussion of Proposed Resolution on Personnel Matter
   Executive Director Amento discussed the hiring of Joshua Petro as the new SCRCOG Regional Planner. He discussed a potential conflict of interest with Joshua being the son of SCRCOG’s Purchasing Consultant, Wilma Petro. Additionally, the selection committee for the Community Engagement consultant selected Ben Fink, the son of SCRCOG’s Housing Consultant David Fink. Andy Cirioli clarified that those two consultants would be working on similar topics but would not be overseeing each other. First Selectwoman Lyons expressed concern over the optics of selecting a family member. Andy Cirioli stated that a selection panel of five municipal staff
made the decision after interviewing each consultant. SCRCOG staff did not vote on the selection. Mayor Blake expressed concern over the selection of Ben Fink, who has been involved in a local advocacy group in Milford which does not share the views of the City. Mayor Elicker stated he did not see any conflict of interest. Chairman Hoey stated that staff should have a conversation with Ben Fink regarding appropriate behavior. Commenting on the Petro situation, Chairman Hoey asked if Wilma brought enough value to the COG in order to justify continuing her contract. Andy Cirioli stated she has assisted a number of towns with technical assistance. Several towns are looking to expand their programming with her. Chairman Hoey stated he was comfortable to continue contracting with her.

5. **Other Business**
   There was no other business.

6. **Adjournment**
   First Selectman Cofrancesco moved to adjourn; Kevin Alvarez seconded. The meeting was adjourned at 9:52 a.m.

   Respectfully submitted,
   First Selectman Paula Cofrancesco, *Secretary*
The Municipal Dues schedule is prepared to aid local officials in the development of municipal budgets. Dues to SCRCOG are based on a per capita rate and are rounded to the nearest $100. The proposed schedule for FY 2023-24 calls for an increase of 8 cents per capita ($0.34 to $0.42).

In FY 2022-23, the Infrastructure Investment and Jobs Act provided SCRCOG with an additional $351,596 of federal transportation planning funds, of which SCRCOG was able to utilize only $80,000 due to timing constraints and lack of match. It is assumed that the nearly 35% annual increase in planning funds will continue through the period of the Act. This proposal will enable SCRCOG to expand its transportation work program by providing match for the additional transportation planning funds (or a portion thereof, depending on availability of the 10% state portion of the match).

SCRCOG By-Laws prescribe the use of the most current set of Connecticut Department of Health Services’ municipal population estimates (July 1, 2021), so the proposed schedule also adjusts the population figures due to shifts in population. All municipalities lost population, except for Milford and New Haven.

Final dues are approved by resolution of the full SCRCOG Board in conjunction with the FY 2023-24 Operating Budget.
