## ***Resolution***

### ***Fiscal Year 2015-Fiscal Year 2018 Transportation Improvement Program Amendment Fifteen***

*Whereas:* U.S. Department of Transportation “Metropolitan Planning Regulations” (23 *CFR* 450) prescribe that each metropolitan planning organization maintain a financially constrained multi-modal transportation improvement program consistent with a *State Implementation Plan for Air Quality (SIP)* conforming to both U.S. Environmental Protection Administration-established air quality guidelines and *SIP*-established mobile source emissions budgets; and

*Whereas:* The Council, per 23 *CFR* 450.324 and in cooperation with the Connecticut Department of Transportation (ConnDOT) and public transit operators and relying upon financial constraints offered by ConnDOT, adopted a *Fiscal Year 2015-Fiscal Year 2018 Transportation Improvement Program* on October 22, 2014, after finding the *Program* conforming per U.S. Environmental Protection Administration (U.S. EPA) final conformity rule (40 *CFR* 51 and 93) and relevant Connecticut Department of Transportation air quality conformity determinations: *Air Quality Conformity Reports: Fiscal Year 2015-2018 Transportation Improvement Program* and the Region’s *Long-Range Transportation Plans—2015 to 2040, (April, 2015)*; and

*Whereas:* The Council, on *October 22, 2014*, indicated that periodic *Program* adjustment or amendment was possible; and

*Whereas:* Projects referenced in the *Program* amendment (below) are consistent with the region’s long-range transportation plan (*South Central Regional Long Range Transportation Plan—2015 to 2040, (April, 2015)*); and

*Whereas:* Council *Public Participation Guidelines: Transportation Planning* have been observed during the development of the proposed *Program* amendment (below); and

*Whereas:* By agreement between the Council and the Connecticut Department of Transportation, public involvement activities carried out by the South Central Regional Council of Governments in response to U.S. Department of Transportation metropolitan planning requirements are intended to satisfy the requirements associated with development of a *Statewide Transportation Improvement Program* and/or its amendment; and

*Whereas:* Council of Governments’ review of transportation goals, projects and opportunities may result in further adjustment or amendment of the *Program*.

***Resolution***

***FY 2015 Federal Transit Administration Section 5310 Enhanced Mobility for Seniors and Persons with Disabilities.***

***Whereas:*** The State of Connecticut has received annual Federal Section 5310 funding for transportation of seniors and individuals with disabilities, since 1975; and

***Whereas:*** MAP-21 funding is apportioned based on Transportation Management Area (TMA), the New Haven TMA including the South Central Region and portions of the Lower Connecticut River Valley Council of Governments (RiverCOG) to allow funds for capital and operating expenses; and

***Whereas*** \$501,432 has been appropriated to the New Haven TMA for FY15, of which a minimum of 55% must be used for capital purchases; and

***Whereas:*** SCRCOG, RiverCOG and Area public paratransit operators, have reviewed all applications from interested non-profit organizations, and prioritized projects based on criteria provided by CTDOT ; and

***Whereas:*** Agreement has been reached among the above mentioned parties on the priorities for capital purchases and operating funds after review of applications from municipalities, interested non-profit organizations, and area paratransit operators, based on ranking criteria provided by CTDOT; and

***Whereas:*** Based upon the applications submitted, the available funding will allow for the fulfillment of the priorities noted below.

***Resolution Authorizing Executive Director to Accept CIRCA Municipal Resilience Grant  
and Negotiate and Execute Related Agreements***

*Whereas:* The Connecticut Institute for Resilience and Climate Adaptation (CIRCA) sponsored a competitive solicitation from municipal governments and councils of government for initiatives that advance resilience and develop knowledge or experience that is transferable to multiple locations in Connecticut; and

*Whereas:* The South Central Regional Council of Governments (SCRCOG) was approached by the South Central Connecticut Regional Water Authority and the University of Connecticut to form a partnership for Climate Adaptation and Resiliency Planning for the Protection of Public Drinking Water in the South Central Region; and

*Whereas:* The initiative will develop useful climate information and products to help SCRCOG's member municipalities, and the region's water utility companies adapt to and enhance the resiliency of public drinking water supplies to a changing climate; and

*Whereas:* SCRCOG, as the lead applicant, has been awarded a \$26,027 CIRCA Municipal Resilience Grant for Climate Adaptation and Resiliency Planning for the Protection of Public Drinking Water in the South Central Region;

*Now, Therefore, Be It Resolved By the Council of Governments*

The South Central Regional Council of Governments' Executive Director, Carl J. Amento, is hereby authorized to accept the CIRCA Municipal Resilience Grant for Climate Adaptation and Resiliency Planning for the Protection of Public Drinking Water in the South Central Region and to negotiate and execute all appropriate and necessary contractual instruments with the South Central Connecticut Regional Water Authority and with the University of Connecticut in furtherance of this grant initiative.

### **SCRCOG Board Meeting**

### **May 25, 2016**

The FY 2016-17 Draft SCRCOG Budget proposes:

- **No municipal dues increase.** SCRCOG dues rate has remained the same for over 10 years. The dues rate of 27 cents per capita is the lowest among the 9 Councils of Government in the state.
- **Total budget over \$2.5 million.** The proposed SCRCOG budget for FY 2016-17 totals \$2,583,081 down slightly from \$2,629,205 (original budget) and \$2,915,863 (revised budget) in FY 2015-16.
- **Increased transportation funding.** Federal and state transportation funding for FY 2016-17 totals \$1,651,487 up from \$1,393,558 in FY 2015-16.
- **Grant money being spent down.** Non-transportation grant revenue is projected to be down next year at \$776,594 compared to \$1,367,105 in FY 2015-16. This is as a result of the spend down of the \$700,000 Coastal Resilience grant, and the \$591,028 GIS grant awarded to SCRCOG in previous years. However, a new grant has been applied for by SCRCOG for a Multi-Jurisdictional Hazard Mitigation Plan that has not been included in the proposed budget for next year.
- **Operating expenses down.** Budgeted operating expenses (Salaries, Benefits, Travel, Computer Supplies & Software, Rent and General Office Expenses) total \$932,562 down from \$967,113 in FY 2015-16, despite the inclusion of a new position of Regional Planner in the proposed budget.
- **Health and dental insurance costs are down significantly.** Budgeted health and dental costs decrease in 2016-17 by a total of \$31,600 (\$127,900 to \$96,300) or 24.7%. Our high deductible/health savings account plan has significantly reduced benefits costs since it was instituted in 2010.

- **Benefits down by over \$35K.** Overall, our proposed total budgeted benefits cost (Social Security and Medicare taxes, unemployment compensation, health, dental, life, long-term disability, and pension) of \$173,320 is \$36,058 or 17.2% less than our current year benefits budget of \$209,378.
- **More funds for studies.** Next year's Unified Planning Work Program will fund \$610,000 in transportation studies for the benefit of our member cities and towns. This compares to \$525,000 budgeted in the current year.
- **Revenue has become more diversified.** The proposed budget continues the trend of a more diversified revenue stream with the continued funding of the State Grant in Aid (SGIA) at the scheduled level of \$360,000 for FY 2016-17, after \$410,000 was received by SCRCOG in both FY 2015-16 and FY 2014-15. The recently-enacted state budget re-confirmed that SCRCOG's SGIA allocation for 2017-2018 is \$1.2 million.
- **Proposed budget includes staff restructuring & addition of new position, but salary adjustments phased over two years.** The SCRCOG Executive Committee at its April meeting recommended that the Staff Restructuring Proposal, including the hiring of a new staff member, be approved by the SCRCOG Board, but that the salary adjustments proposed be phased in over two budget years.

## ***Resolution***

### **South Central Regional Council of Governments Budget Fiscal Year 2017 (July 1, 2016 – June 30, 2017)**

Whereas: South Central Regional Council of Governments (SCRCOG) By-Laws prescribe that the Council shall review and approve SCRCOG budgets, and

Whereas: SCRCOG's Executive Committee has reviewed and recommends acceptance of the proposed Fiscal Year 2017 budget totaling \$2,583,081

Now, therefore be resolved by the South Central Regional Council of Governments:

That a Fiscal Year 2017 Budget is adopted (copy attached), and

That Fiscal Year 2017 SCRCOG municipal dues are established at 27 cents per capita, per the Connecticut Department of Public Health's July 2014 population estimates.

#### **Certificate:**

The undersigned duly qualified and acting Secretary of the South Central Regional Council of Governments certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the SCRCOG on May 25, 2016.

Date: May 25, 2016

## CTrides: Quarter 1 Activity Summary

Jan—March 2016

### CTrides Spring Planning

In the first quarter of 2016, the major focus was planning for CTrides' two major annual Outreach Events—**Earth Week** in April and **CTrides Week** in May.

#### Earth Week—April 18-22, 2016

CTrides uses **Earth Day**, April 22, as a strategic way to promote its alternate commuting platform for the entire week. With the minds of employers and employees already turned to helping the Earth, CTrides' "**Change Your Commute. Make A Difference.**" campaign was developed to reinforce the day's theme.

Materials developed to promote the event with CTrides business partners included an event poster, an email blast, and a Facebook event.

#### CTrides Week—May 16-20, 2016

CTrides Week is the program's annual capstone event that encourages Connecticut commuters to try a new green commute just once during the week. This year, in addition to the annual "pledging" of a green commute, CTrides will incorporate our Ridematching & Rewards program into the week, encouraging commuters to also track their trip. Employer awards will be given based on pledges *and* trips tracked. Five total awards will be distributed.

This year's theme was developed as a continued push to drive people to our Website and is entitled: "**A Better Commute. A Click Away.**" In addition to our ground push with outreach to employers, CTrides will feature our campaign on our social media, as well as some of our select paid advertising.

Additionally, a webpage was setup on CTrides.com exclusively for employers to encourage them to sign-up and provide them details about the week. A "Save-the-Date" was also designed and distributed to partners in January as preemptive marketing for the week.

## CTrides Advertising and Public Relations

During the 1Q 2016, the CTrides 'Give It A Rest' campaign targeting drive-alone workers kicked off. Messaging emphasized the benefits of leaving the car at home and taking alternate transportation, namely: financial saving and stress relief.

The campaign is being channeled to the public via print (see left), outdoor, TV, digital, and radio through June, 2016.

In addition to paid media, the program gained the benefit of organic exposure through a number of means.

The first was a quarterly partner newsletter, disseminated in January, that had elaborate details on what happened in the 2015 Q4 and what was to come in early 2016.

CTrides was also featured in the quarterly newsletter for the Association for Commuter Transportation, and on the video boards at partner sites, such as The Hartford and Lawrence + Memorial Hospital.

## CTrides Social Media

CTrides social media covered a wide array of topics this quarter including valuable information such as the first anniversary of the state's bus rapid transit system, CTfastrak.

Also popular was CTrides in action at Gateway Community College, one of our partner events, highlighting the use of interactive gamification.

Other popular social posts featured:

- CTtransit in the snow
- Biking as a gateway to social awareness
- CRCOG Transit Study for I-84 Project
- Partnership for Strong Communities event focusing on improving transportation to improve communities
- Carpool Karaoke with Adele
- Mobility Lab recycling parking spaces
- Federal Grant for 9 Town Transit, Greater Bridgeport Transit, Housatonic Area Regional Transit

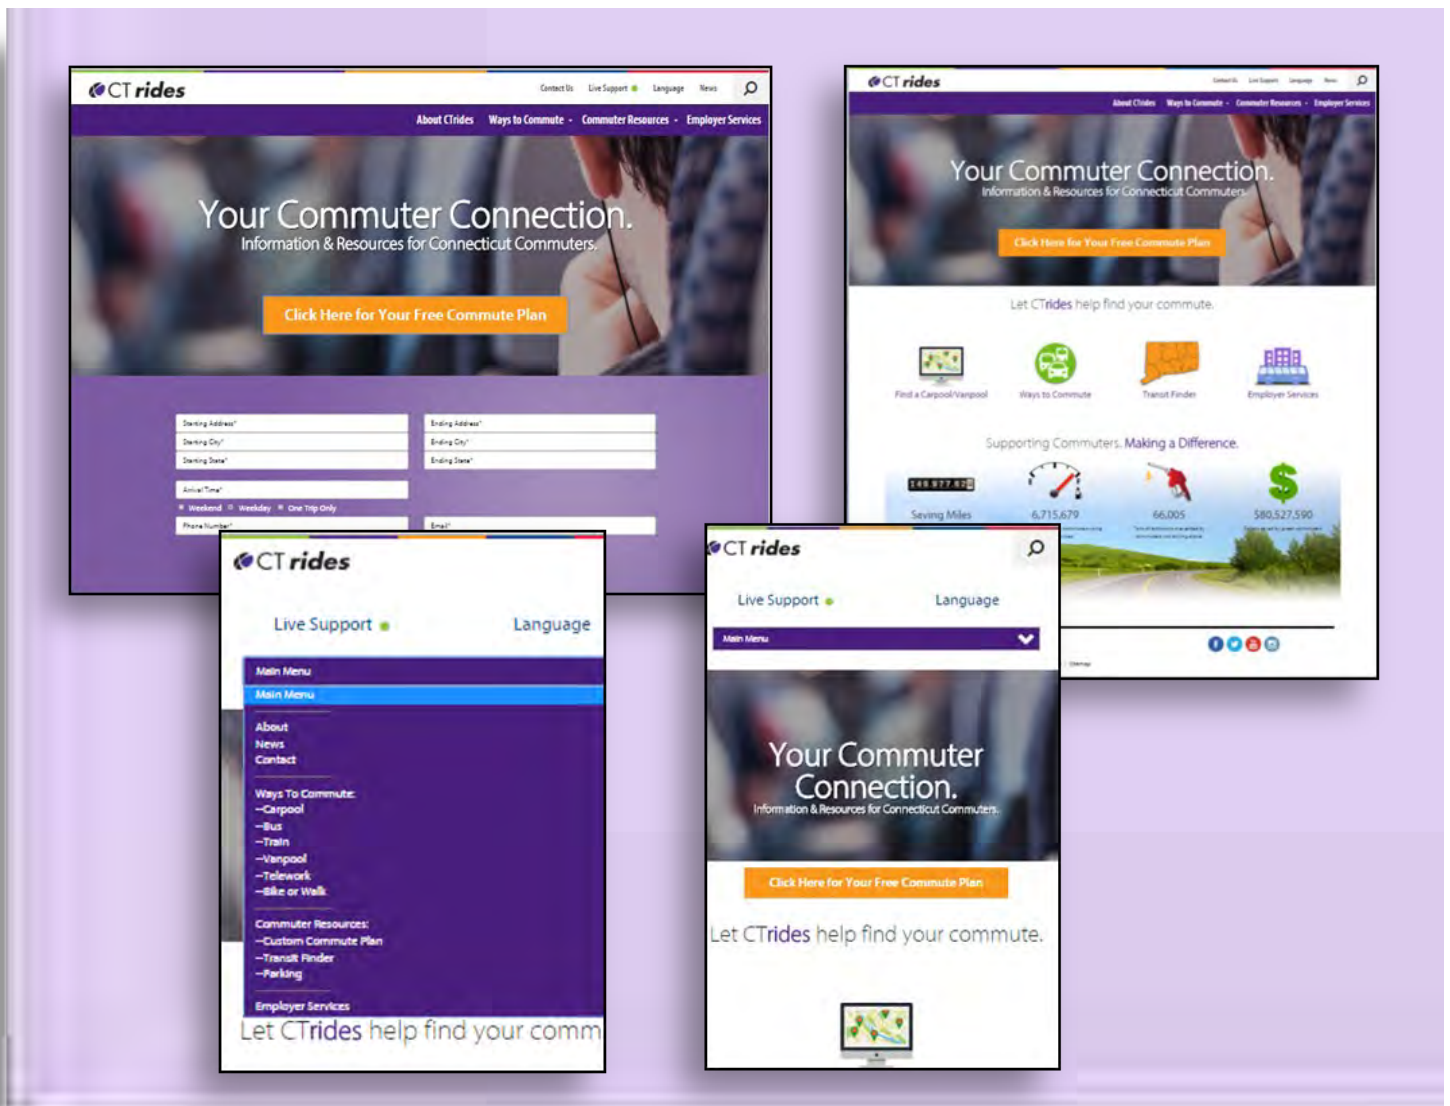

### CTrides Website Enhancements & Updates

In the 1st Quarter of 2016, the CTrides team continued to make improvements to update and streamline content on the program's website. We updated the homepage with a new design that allowed for a more streamlined, responsive display. Part of this latest enhancement had a strict emphasis on mobile devices.

The new site features an enhanced mobile layout with a “scroll wheel” for the menu as opposed to the previous dropdown tabs. Further, the site's menu tabs were consolidated using dropdowns in order to simplify the menu and more easily categorize the Website for viewers.

The Custom Commute Plan was also automated to communicate directly with Google Transit's API. Consequently, when someone enters their data for the Commute Plan, it sends that information directly to Google and the API returns a draft template with the Custom Commute Plan details already there.

The goal is to ultimately provide the most accurate data to the consumers in a cost-effective, efficient manner. This allows for the customized commute plans to have another layer of review for accuracy.

## Quarterly Report

Jan—March 2016

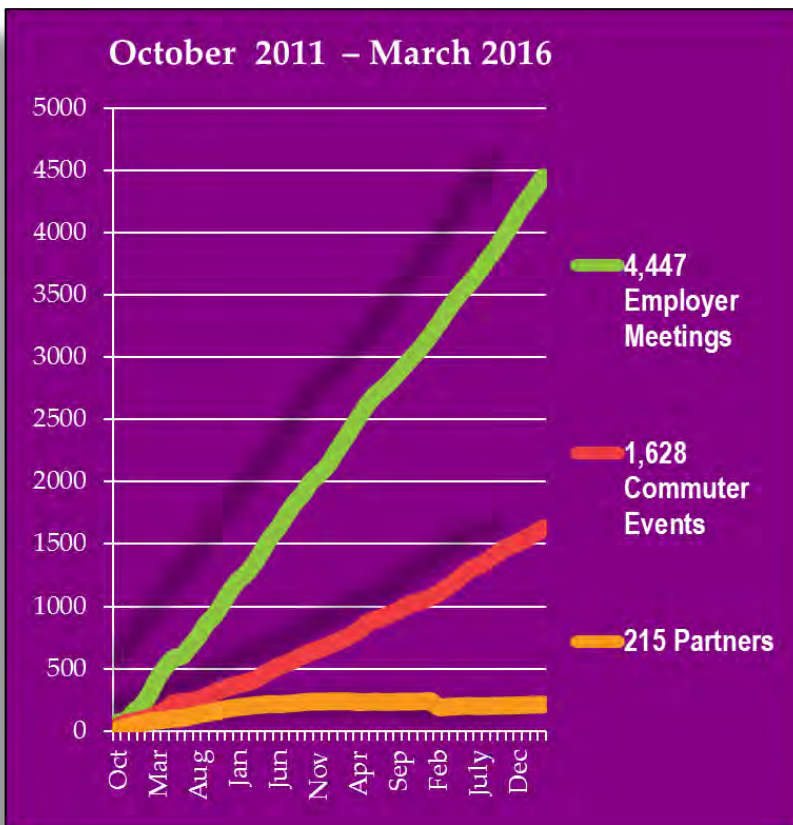

### Partner Activity

This quarter, CTrides added seven new partners: Collins and Jewell, Paier College of Art, The Hartford, Mohegan Sun, Carrow Real Estate Services, Jones Lang LaSalle Americas, and SeeClickFix.

This brings the total number of CTrides Partners to 215 and the number of Stakeholders to 180.

The team also recognized three partners, one from each of the three CT regions, for their commitment in offering employees various commuter benefits.

- **L+M Hospital**—Created a great rideshare program, setup carpool parking on site, and a Bike-to-Work breakfast in May.
- **Aetna**—Sells bus passes on site, offering commute-friendly amenities like a cafeteria, coffee shop, and pharmacy and a dedicated parking office that manages employees needs.
- **Tauk Tours**—Part of their relocation was focused solely on being near transit; also offers employees telework and tax benefits.

The CTrides Outreach Team held **273 Worksite Meetings** and **114 Commuter Events** with their worksite partners during Q1. The partner total is now up to **215** and the stakeholder total is now **180**.

This quarter's worksite activity, segmented by region, can be found on the following pages. A complete list of program partners is in Appendix A.

## Regional Worksite Highlights

**Western CT** includes Litchfield, Housatonic, Bridgeport & Stamford regions.

### Highlights

**Town of Greenwich**— Employee transportation survey conducted with 461 responses from all town staff.

**Oracle** — Materials posted promoting Earth Week events.

**Ridley-Lowell**— Referral by HARTransit to use vanpools as alternate mode change.

**ASML**— Interested in vanpools and employee parking cash out program. Survey to be conducted.

**Naugatuck Valley Council of Governments** — Participated in NVision 2020 conference surrounding infrastructure and development in area.

**University of Bridgeport & Naugatuck Valley Community College** - Student events with over 200 students that led to high interest including 100 NuRide registrations at **UB**.

## Telework Marketing & Activities

During January, CTrides worked with the Connecticut Business Industry Association (CBIA) to host a free Telework Webinar. The presentation was geared toward Human Resource representatives and business leaders. This event was cross-marketed by both the CBIA and CTrides and was very successful.

As for paid media, both digital and print ran statewide. Ads used the theme of focusing on Telework programs as a key part of a business continuity plan. These ads were updated to fit the winter season as can be seen below at left. Digital metrics showed strong results:

- Exceeding .05% average benchmark for digital
- More than 1.2 million impressions with 1,700 clicks to CTrides.com.
- Overall click through rate of .14%.

## Telework Client Activities

Telework business consulting consisted of work with the following companies:

- **CERC**, Rocky Hill—Consultation with senior management to discuss growing existing program because of increased business levels and real estate restrictions. HR documents submitted and training session held.
- **Meridian Health Management**, Windsor—Update with senior management on new program and discussion of challenges and potential resolutions.
- **SERC**, Middletown—Consultation with senior management to discuss training session in April. Policy reviewed with emphasis on eligible positions, training module prepared/submitted.

### CTrides Ridematching & Rewards Program

In the first quarter of 2016, **1,882 new members** were added to the CTrides Ridematch & Reward program.

These additional members reflect on the marketing and outreach efforts as well as a number of raffles, sponsored and administered through the program vendor NuRide. The major raffle for this first quarter can be seen below.

Additionally, a number of notable technical updates were launched:

- Version 8.2.0 was released:
  - This included the redemption of mobile coupons
  - Viewing rewards by a user's distance to the specific reward location
  - Ability for outreach members to download an entire list of rewards for their specific region
- Version 8.3.0 was released and included:
  - Ability to connect with NuRiders using Facebook friend
  - Upgraded security with the use of https as opposed to http
  - It's also now possible to view rewards on a map or a list

Notable New Rewards in the CTrides Ridematch & Reward Program:

- **Zipcar**—\$25 FREE driving for new members
- **Omaha Steaks**—\$109 OFF Great Values
- **CheapOAir**—\$40 OFF flight
- **FromYouFlowers**—\$10 OFF each item or 25% OFF entire order
- **Boston Celtics**—30% OFF tickets
- **Garde Arts Center**—\$5 OFF shows

The Ridematching & Rewards program continued the momentum of its Fall/Winter raffles with this great Spring raffle—3 \$50 gift cards to FromYouFlowers.com, just in time for Mother's Day!
