1. Call to Order and Introductions – First Selectman James Cosgrove, Chairman

2. **Presentation: State Financial Update & Initiatives** - Kevin Lembo, Comptroller

3. Adoption of 4/25/18 SCRCOG Minutes- First Selectwoman Beth Heller, Secretary

4. Treasurer’s Report for month ending 4/30/18 – First Selectman Michael Freda, Treasurer

5. Transportation Committee Report – Mayor William Dickinson, Committee Chairman
   a. Adopt Resolution to Approve FY 2018-2021 TIP Amendment Five
   b. Adopt Resolution to Approve an Update of SCRCOG FY 2017-2019 UPWP

6. Approval of SCRCOG FY 2018-2019 Budget

9. State Legislative Reports – Michael Muszynski, CCM; Betsy Gara, COST

10. SCRCOG Executive Director’s Report – Carl Amento, Executive Director

11. REX Development Report – Ginny Kozlowski, Executive Director, REX Development

12. DESPP/DEMHS Report – John Field, Region 2 Coordinator

13. CTRides Quarterly Report- Joanne Cavadini, Outreach Coordinator

14. Regional Planning Commission May Action Table

15. Regional Cooperation/Other Business

16. Adjournment
TO: SCRCOG Board Members  
FROM: First Selectwoman Beth Heller, Secretary  
DATE: May 16, 2018  
SUBJECT: SCRCOG Meeting Minutes of April 25, 2018

Present:  
Bethany First Selectwoman Derrylynn Gorski  
Branford First Selectman James Cosgrove, Chairman  
East Haven Joseph Coppola, proxy for Mayor Joseph Maturo  
Guilford First Selectman Matthew Hoey  
Madison First Selectman Thomas Banisch, Vice-Chairman  
Milford Mayor Benjamin Blake  
New Haven Mayor Toni Harp, Immediate Past Chairwoman  
North Haven First Selectman Michael Freda, Treasurer  
Orange First Selectman James Zeoli  
Wallingford Mayor William Dickinson  
West Haven Thomas McCarthy, proxy for Mayor Nancy Rossi  
Woodbridge First Selectwoman Beth Heller, Secretary  

SCRCOG Staff Carl Amento, Stephen Dudley, Albert Ruggiero, James Rode, Eugene Livshits, Christopher Rappa, Rebecca Andreucci  

Guests: Lynn Stoddard, Institute for Sustainable Energy; Miriam Brody, Hamden-North Haven League of Women Voters; Mary Bigelow, Greater New Haven Transit District; Lori Vitagliano, Regional Water Authority; Michael Muszynski, CT Conference of Municipalities; Matthew Nemerson and Michael Piscitelli, City of New Haven; Barbara Malmberg, REX Development; Ellen Graham, Office of U.S. Senator Richard Blumenthal; Louis Mangini, Office of U.S. Representative Rosa DeLauro; Ben Florsheim, Office of U.S. Senator Christopher Murphy; Joanne Cavadini, CTRides

1. Call to order and Introductions  
Chairman Cosgrove called the meeting to order at 10:35 a.m. All present introduced themselves.

2. Presentation: Sustainable CT  
Lynn Stoddard reviewed the Sustainable CT program. The Sustainable CT Master Action List was attached to the agenda packet.

3. Adoption of March 28, 2018 SCRCOG Special Meeting minutes  
First Selectwoman Heller presented the Minutes of the SCRCOG Special Meeting of March 28, 2018, which were included in the agenda packet at page 2. She moved for their approval. First Selectwoman Gorski seconded the motion, which passed unanimously.
4. **Adoption of March 28, 2018 SCRCOG Board Meeting minutes**
   First Selectwoman Heller presented the Minutes of the SCRCOG Board Meeting of March 28, 2018, which were included in the agenda packet at pages 3-5. She moved for their approval. First Selectwoman Gorski seconded the motion, which passed unanimously.

5. **Treasurer’s Report for Month Ending March 28, 2018**
   First Selectman Freda presented the Treasurer’s Report for the month ending March 28, 2018, which was included in the agenda packet at pages 6-7. The Balance Sheet shows that SCRCOG has total assets of $1,235,000 with approximately $967,000 of that in cash and investments. There is also $118,000 due from CTDOT. First Selectman Freda moved for acceptance of the Treasurer’s Report. First Selectwoman Gorski seconded the motion, which passed unanimously.

6. **Transportation Committee Report**
   Mayor Dickinson presented the Transportation Committee Report recommending the adoption of a Resolution approving FTA Section 5310 Enhanced Mobility for Seniors Program Priorities Resolution. The Priorities and Resolution are found at Pages 8-10 of the agenda packet. Mayor Dickinson moved for adoption of the Resolution by the Board. Mayor Harp seconded. The motion was approved unanimously.

7. **Congressional Report**
   Louis Mangini from Congresswoman DeLauro’s Office gave information on the new grant BUILD which replaces TIGER. Ben Florsheim from U.S. Senator Murphy’s office reported that applications for SAFER grants are due by April 27th. The Senator’s office would be pleased to assist any interested municipality. He also noted the newly-released Clean Diesel grants.

8. **State Legislative Report**
   Michael Muszynski could not be present but sent along a CCM Legislative Update which was distributed. Betsy Gara from COST also could not attend but sent a Legislative Update which was distributed.

9. **SCRCOG Executive Director’s Report**
   Executive Director Amento distributed a memo noting that SCRCOG and the other coastal COGs, and various maritime organizations, had their motion to file a Friend of the Court brief approved by the court. The brief will be opposing the appeal of New York State of the EPA’s designation of the Eastern Long Island Sound Dredging Disposal Site off of New London. Amento distributed information on the new BUILD grant, which replaces TIGER. He noted that work on the state grant for a Regional Open Space Inventory was underway. SCRCOG will be organizing a meeting soon of the representatives of the SCRCOG towns participating in the Sustainable CT program. An intern paid by Sustainable CT will be starting work at SCRCOG around June 1st and will also be available to assist the towns.

10. **REX Development Report**
    Barbara Malmberg of REX Development reviewed the REX report at Pages 11-27 of the agenda packet. She reported that Ginny was attending the international trade show in Hannover Germany. The Regional Comprehensive Economic Development Strategy (CEDS) will be presented for SCRCOG approval in May.

11. **DESPP/DEMHS Report**
    John Field was not in attendance, but his report is found at Pages 28-29 of the agenda packet.

12. **CTRides Report**
    Joanne Cavadini noted that the entire month of May had been designated “Drive Less CT”. The CTRides Showcase will be held in June.
13. **Regional Cooperation/Other Business**
   None

14. **Adjournment**
   First Selectman Freda moved to adjourn; First Selectman Hoey seconded. The meeting was adjourned at 11:15 am.

Respectfully submitted,

First Selectwoman Beth Heller, *Secretary*

**Amendment Notes**
FY18 TIP Amend 5 adds new project
Resolution

Fiscal Year 2018-Fiscal Year 2021 Transportation Improvement Program Amendment Five

Whereas: U.S. Department of Transportation “Metropolitan Planning Regulations” (23 CFR 450) prescribe that each metropolitan planning organization maintain a financially constrained multi-modal transportation improvement program consistent with a State Implementation Plan for Air Quality (SIP) conforming to both U.S. Environmental Protection Administration-established air quality guidelines and SIP-established mobile source emissions budgets; and

Whereas: The Council, per 23 CFR 450.324 and in cooperation with the Connecticut Department of Transportation (ConnDOT) and public transit operators and relying upon financial constraints offered by ConnDOT, adopted a Fiscal Year 2018-Fiscal Year 2021 Transportation Improvement Program on July 26, 2017, after finding the Program conforming per U.S. Environmental Protection Administration (U.S. EPA) final conformity rule (40 CFR 51 and 93) and relevant Connecticut Department of Transportation air quality conformity determinations: Air Quality Conformity Reports: Fiscal Year 2018-2021 Transportation Improvement Program and the Region’s Long-Range Transportation Plans—2015 to 2040, (April, 2015); and

Whereas: The Council, on July 26, 2017, indicated that periodic Program adjustment or amendment was possible; and

Whereas: Projects referenced in the Program amendment (below) are consistent with the region’s long-range transportation plan (South Central Regional Long Range Transportation Plan—2015 to 2040, (May, 2015)); and

Whereas: Council Public Participation Guidelines: Transportation Planning have been observed during the development of the proposed Program amendment (below); and

Whereas: By agreement between the Council and the Connecticut Department of Transportation, public involvement activities carried out by the South Central Regional Council of Governments in response to U.S. Department of Transportation metropolitan planning requirements are intended to satisfy the requirements associated with development of a Statewide Transportation Improvement Program and/or its amendment; and

Whereas: Council of Governments’ review of transportation goals, projects and opportunities may result in further adjustment or amendment of the Program.
Resolution
Fiscal Year 2018-Fiscal Year 2021 Transportation Improvement Program Amendment Five (continued)

Now, Therefore, Be It Resolved By the Council of Governments:

The Program Amendment Five shall be transmitted to the Connecticut Department of Transportation, for inclusion in the State Transportation Improvement Program.

The undersigned duly qualified and acting Secretary of the South Central Regional Council of Governments certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the South Central Regional Council of Governments on May 23, 2018.

Date: May 23, 2018           By: __________________________________
First Selectwoman Beth Heller, Secretary
South Central Regional Council of Governments
Resolution

Approving the Amended Fiscal Year 2018 and Fiscal Year 2019 Unified Planning Work Program

Whereas: The Council of Governments adopted a final Fiscal Year 2018 and Fiscal Year 2019 Unified Planning Work Program on May 24, 2017, and amended the Program on January 31, 2018; and

Whereas: Coordination statements and/or agreements among various partners are required under the FAST Act; and

Whereas: It has been determined that the most effective way to meet the coordination requirements of the FAST Act is to amend Appendix B; and

Whereas: The Council’s Transportation Committee on May 9, 2018, reviewed the revised document and recommended that the Council of Governments adopt the amended work program.

Now, Therefore, Be It Resolved By the Council of Governments

That the amended Fiscal Year 2018 and Fiscal Year 2019 Unified Planning Work Program is hereby adopted.

Certificate

The undersigned duly qualified and acting Secretary of the South Central Regional Council of Governments certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Council of Governments on May 23, 2018.

Date: May 23, 2018

By: ______________________
First Selectwoman Beth Heller
Secretary
Appendix

Statement of Cooperative MPO/State/Transit Operators’ Planning Roles & Responsibilities

Purpose
The purpose of this statement is to outline the roles and responsibilities of the State, the South Central Regional Council of Governments (SCRCOG) and appropriate providers of public transportation as required by 23 CFR Sec. 450.314(a), (h)”Metropolitan Planning Agreements”.

General Roles & Responsibilities
The SCRCOG will perform the transportation planning process for their region and develop procedures to coordinate transportation planning activities in accordance with applicable federal regulations and guidance. The transportation process will, at a minimum, consist of:

1. Preparation of a two-year Unified Planning Work Program that lists and describes all transportation planning studies and tasks to be completed during this two-year period.
2. Preparation and update of a long range, multi-modal metropolitan transportation plan.
3. Preparation and maintenance of a short-range transportation improvement program (TIP).
4. Financial planning to ensure plan and program are financially constrained and within anticipated funding levels.
5. Conduct planning studies and system performance monitoring, including highway corridor and intersection studies, transit system studies, application of advanced computer techniques, and transportation data collection and archiving.
6. Public outreach, including survey of affected populations, electronic dissemination of reports and information (website), and consideration of public comments.
7. Ensuring the transportation planning process evaluates the benefits and burdens of transportation projects and/or investments to ensure significant or disproportionate impacts on low income and minority populations are avoided and/or mitigated. This will be accomplished using traditional and non-traditional outreach to Title VI populations, including outreach to LEP populations.
9. Ensuring plans, projects and programs are consistent with and conform to air quality goals of reducing transportation-related emissions and attaining National Ambient Air Quality Standards.

Long Range Metropolitan Transportation Plan
1. SCRCOG will be responsible for preparing and developing the long range (20–25 years) metropolitan transportation plans for their respective region.
2. SCRCOG may develop a consolidated transportation plan summary report for the planning region that includes the key issues facing the area and priority programs and projects.
3. CT DOT will provide the following information and data in support of developing the transportation plan:
   a. Financial information - estimate of anticipated federal funds over the 20-25 year time frame of the plan for the highway and transit programs.
   b. Trip tables - for each analysis year, including base year and the horizon year of the plan by trip purpose and mode. (CT DOT will provide this only if requested since SCRCOG may maintain their own travel forecast model.)
   c. Traffic count data for state roads in the SCRCOG region, and transit statistics as available.
d. List of projects of statewide significance by mode, with descriptions, so that they can be incorporated into the long range metropolitan transportation plans.

e. Assess air quality impacts and conduct the regional emissions assessment of the plan. Will provide the results of the assessment in a timely manner to allow inclusion in the plan and to be made available to the public at public information meetings. (Refer to air quality tasks.)

4. ___SCRCOG___ may conduct transportation modeling for the area.

5. ___SCRCOG___ will consult with the appropriate providers of public transportation on local bus capital projects to include in the transportation plan, and will work together to develop local bus improvements for the plan from the 10-year capital program. Through consultation, they will identify future local bus needs and services, including new routes, service expansion, rolling stock needs beyond replacement, and operating financial needs.

Transportation Improvement Program (TIP)

1. The selection of projects in the TIP and the development of the TIP will occur through a consultative process between CT DOT, ___SCRCOG___, and the appropriate provider(s) of public transportation.

2. CT DOT will send a draft proposed 5-year Capital Plan to the ___SCRCOG___ for review and comment. The draft list will reflect input that the CT DOT received from the ___SCRCOG___ during the consultation process on the previous year’s plan.

3. CT DOT will prepare an initial list of projects to include in the new TIP. This list will be based on the current TIP that is about to expire and the 5-year Capital Plan.

4. CT DOT will consult with and solicit comments from ___SCRCOG___ and transit providers on the TIP and incorporate where practicable.

5. CT DOT will provide detailed project descriptions, cost estimates and program schedules. The project descriptions will provide sufficient detail to allow the ___SCRCOG___ to explain the projects to the policy board and the general public.

6. CT DOT will provide a list of projects obligated during each of the federal fiscal years covered by the expiring TIP/STIP. The annual listing of obligated projects should include both highway and transit projects.

7. ___SCRCOG___ will compile the TIP for the Region, including preparing a narrative. Projects will be categorized by federal aid program and listed in summary tables. The TIP will be converted into a format that will allow it to be downloaded to the Region’s website. ___SCRCOG___ will maintain the TIP by tracking amendments and changes to projects (schedule, scope and cost) made through the TIP/STIP Administrative Action/Amendment/Notification process.

8. CT DOT will develop the STIP based on the MPOs’ TIPs and projects located in the rural regions of the State.

9. CT DOT will include one STIP entry each for the Bridge program and the Highway Safety Improvement program. This entry will list the total funds needed for these programs for each fiscal year. All Regions will receive back up lists in the form of the Bridge Report and the Safety Report monthly. The one line entry will reduce the number of entries needed in the STIP. Any projects listed in the Bridge and or Safety Report that are over $5m and on the NHS, will be transferred directly into the STIP as its own entry per the TIP/STIP Administrative Action/Amendment/Notification process.

10. CT DOT will provide proposed amendments to the ___SCRCOG___ for consideration. The amendment will include a project description that provides sufficient detail to allow the ___SCRCOG___ to explain the proposed changes to the ___SCRCOG___ board and project management contact information. It will also provide a clear reason and justification for the amendment. If it involves a new project, CT DOT will provide a clear explanation of the reasons and rationale for adding it to the TIP/STIP.

11. When an amendment to the TIP/STIP is being proposed by the ___SCRCOG___, the project sponsor will consult with CT DOT to obtain concurrence with the proposed amendment, to obtain Air Quality review and consistency with Air Quality Conformity regulations and ensure financial consistency.
12. CT DOT will provide a financial assessment of the STIP with each update. SCRCOG should prepare a TIP summary table listing all projects by funding program sorted by year based on CT DOT’s financial assessment.

Air Quality Planning

1. CT DOT and SCRCOG should meet at least once per year to discuss the air quality conformity process, the regional emissions analysis and air quality modeling.

2. CT DOT will conduct the regional emissions analysis, which includes the SCRCOG area and provide the results to the SCRCOG. The regional emissions analyses for the build or future years will include the proposed transportation improvements included in the regional long-range metropolitan transportation plans and TIP.

3. SCRCOG will prepare a summary report of the conformity process and regional emissions analysis for the Region. It will contain a table showing the estimated emissions from the transportation system for each criteria pollutant and analysis year.

4. The summary report on the regional emissions analyses will be inserted into the long-range transportation plan and TIP.

5. SCRCOG will make the regional emissions analysis available to the public.

Public Participation Program

1. The SCRCOG will annually review and evaluate their public participation program.

2. The SCRCOG will update and prepare a list of neighborhood and local organizations and groups that will receive notices of MPO plans, programs and projects.

3. The SCRCOG will work to ensure that low-income, minority and transit dependent individuals are afforded an adequate opportunity to participate in the transportation planning process, receive a fair share of the transportation improvement benefits and do not endure a disproportionate transportation burden. SCRCOG will comply with federal legislation on these issues.

4. The SCRCOG’s process for developing plans, projects, and programs will include consultation with state and local agencies responsible for land use and growth management, natural resources, environmental protection, conservation and historic preservation.

5. The SCRCOG will maintain their website to provide clear and concise information on the transportation planning process and provide an opportunity to download reports and documents. This will include developing project and study summaries, converting reports into a pdf or text format, and maintaining a list of available documents. The website will provide links to other associated organizations and agencies.

Public Transportation Planning

1. The SCRCOG will allow for, to the extent feasible, the participation of transit providers at all transportation committee and policy board meetings to provide advice, information and consultation on transportation programs within the planning region.

2. The SCRCOG will provide the opportunity for the transit provider(s) to review and comment on planning products relating to transit issues within the region.

3. The SCRCOG will allow for transit provider(s) to participate in UPWP, long-range plan, and TIP development to ensure the consideration of any appropriate comments.

4. The SCRCOG and CT DOT will assist the transit provider(s), to the extent feasible, with planning for transit-related activities.
Fiscal/Financial Planning

1. The CT DOT will provide the SCRCOG with up-to-date fiscal and financial information on the statewide and regional transportation improvement programs to the extent practicable. This will include:
   a. Anticipated federal funding resources by federal aid category and state funding resources for the upcoming federal fiscal year, as shown in the TIP financial chart.
   b. Will hold annual meetings to discuss authorized funds for the STP-Urban and LOTCIP accounts.
   c. Annual authorized/programmed funds for the FTA Section 5307 Program as contained in the STIP and the annual UZA split agreements.
   d. Monthly updates of STP-Urban Program showing current estimated cost & scheduled obligation dates.

2. The CT DOT will notify the SCRCOG when the anticipated cost of a project, regardless of funding category, has changed in accordance with the agreed upon TIP/STIP Administrative Action/Amendment/Notification process.

3. The SCRCOG will prepare summary tables and charts that display financial information for presentation to the policy board.

Congestion Management Process (CMP) Program

1. The SCRCOG, if located in a TMA, will conduct a highway performance monitoring program that includes the gathering of available traffic counts and travel time information and determination of travel speeds and delay.

2. The SCRCOG will conduct congestion strategies studies for critical corridors and identify possible improvements to reduce congestion and delay.

3. The SCRCOG will work with CT DOT on programming possible congestion-reducing projects.

4. The SCRCOG will, upon implementation of a congestion reduction improvement, assess post-improvement operations and determine level of congestion relief.

Intelligent Transportation Systems (ITS) Program

1. The CT DOT will maintain the statewide ITS architecture and ensure consistency with the Regional ITS Architecture for the SCRCOG.

2. The SCRCOG will maintain and update the Regional ITS Architecture for the SCRCOG, where appropriate.

Performance Based Planning and Programming

A. Collection of Performance Data

1. All data collected for performance measure goals will be collected by the CTDOT and will meet the MAP21/FAST ACT provisions and requirements.

2. All data collected for goals for Federal Transit Administration’s (FTA’s) State of Good Repair performance measures will include data provided by the Transit Districts through CTDOT, in accordance with the Transit Asset Management Rule.

3. CTDOT will make the compiled data collected for each performance measure available on the CTDOT MAP21 website.

4. CTDOT will develop a Measures and Deliverables tracking spreadsheet outlining each Performance Measure, the deliverables required, the submittal dates and the CTDOT contact and provide to the SCRCOG.

B. Selection of Performance Targets
CTDOT will draft statewide performance targets for each of the FAST Act performance measures and coordinate with the MPOs and Transit Representatives, as required by 23 CFR Parts 450 and 771, as well as 49 CFR Part 613 as outlined below:

1. The CTDOT will discuss performance measures at each of the regularly scheduled monthly meetings (via teleconference or in person meeting).

2. The CTDOT will present data collected for each performance measure and collaborate with the SCRCOG and Transit Representatives on assumptions.

3. The CTDOT will provide SCRCOG and Transit Representative with 30 days to provide feedback on the data received and the assumptions provided.

4. The feedback received will be discussed at the next scheduled monthly meeting.

5. CTDOT will set targets for each performance measure based on feedback received.

C. Reporting of Performance Targets

1. CTDOT will notify the SCRCOG and Transit Representatives by email when final statewide targets are established.

2. CTDOT will send the targets that have been set, the backup information and a PowerPoint presentation to SCRCOG for their use in educating the MPO Policy Board. CTDOT will provide region level data summaries, if available.

3. The SCRCOG has 180 days after the CTDOT establishes their targets to establish their own targets or endorse the State’s targets and agree to plan and program projects so that they contribute toward the accomplishment of the performance targets.

4. If the SCRCOG is establishing their own targets, the SCRCOG will report those targets to the CTDOT by email no later than the 180 day timeframe.

5. The SCRCOG will share this information with the Policy Board and will require Policy Board resolution to support the targets set by CTDOT or endorse their own targets.

6. The SCRCOG will forward the Policy Board resolution to the Performance Measures Unit at the CTDOT before the 180 day limitation for FHWA performance measures.

7. For FTA performance measures, it is noted that SCRCOG provided a resolution of support for the initial transit State of Good Repair (SGR) performance targets on July 1, 2017. Thereafter, in accordance with FTA, transit providers will continue to share their targets annually with the SCRCOG. However, SCRCOG targets are not required to be updated annually, only revisited whenever the SCRCOG updates their MTP and/or TIP on or after October 1, 2018.

8. SCRCOG set initial SGR targets as required by FTA on 7/1/17. Thereafter, SCRCOG needs to set SGR targets for the first time when the TIP or MTP is amended or updated on or after October 1, 2018. Following this date, targets should be updated upon the development of future TIPs and MTPs.

D. Reporting of progress toward achieving goal

1. CTDOT will document progress towards achieving statewide performance targets and report that information to the SCRCOG and transit representatives in the Long Range Transportation Plan, the Statewide Transportation Improvement Program, the CTDOT TAM Plans and the FTA Annual report by email after the required reports are issued to Federal Agencies.
2. CTDOT will share the TAM Plans with the SCRCOG in a timely manner, and the MPOs will incorporate them into their planning process.

3. SCRCOG will document progress towards achieving performance targets and report that information to CTDOT in the Metropolitan Transportation Plan and the Transportation Improvement Plan as outlined in the Measures and Deliverables tracking spreadsheet via email. The CTDOT will collect this information and file until requested from FHWA.

**E. The collection of data for the State asset management plan for the NHS**

1. CTDOT will collect all asset management data required for all NHS routes, regardless of ownership.

**Amendment**

This Statement on Transportation Planning may be amended from time to time or to coincide with annual UPWP approval as jointly deemed necessary or in the best interests of all parties, including Federal transportation agencies.

**Effective Date**

This Statement will be effective after it has been endorsed by the _SCRCOG_ as part of the UPWP, and as soon as the UPWP has been approved by the relevant Federal transportation agencies.

**No Limitation on Statutory Authority**

Nothing contained in this Statement is intended to or shall limit the authority or responsibilities assigned to signatory organizations under Connecticut law, federal law, local ordinance, or charter.
MEMORANDUM

FROM: Executive Director Carl Amento
TO:  SCRCOG Mayors and First Selectmen
RE:  FY 2018-19 Proposed SCRCOG Budget
DATE: May 16, 2018

The attached SCRCOG FY 2018-19 budget is on the agenda for action at the May 23, 2018 meeting. As the June 27, 2018 meeting is only three days from the start of the next fiscal year, it is strongly urged that the Board approve a SCRCOG budget in May.

There are several issues that impact the budget. This memo will outline the issues and their implications.

The FY 2018-19 SCRCOG Budget contains the following issues:

- **Amount of State OPM Regional Services Grant (RSG) To be Determined**

  Funding for FY 2018-2019 RSG has increased in the approved state FY 2018-2019 budget. However, the amount of the RSG to be distributed to each COG will be finalized by OPM once a formula for distribution has been determined. For FY 2018-2019, we have chosen to proceed on the basis of flat-funding at the amount of $252,504 to allow for the budget to be adopted now. Once the final amount of the RSG is known, we will present a revised budget to include the final RSG amount.

  The RSG, plus municipal dues and competitively awarded grants received by SCRCOG, account for all non-federal revenue to SCRCOG. A portion of the RSG funds the local match for SCRCOG’s federal transportation revenue, supplementing municipal dues, which are insufficient to fully fund the required local transportation match. The remainder of the RSG is used for non-transportation regional planning, shared services and special projects.

- **The Reduction in State match for Federal Transportation Funds Will Continue**

  Last year, the state reduced its match of federal transportation funds directed to COGs from 10% to 7.6%. Since the total local-state match for the federal transportation funds is required to be 20%, this meant that the local match had to increase from 10% to 12.4%. In addition, the state stopped providing any match for federal transportation funds carried over from previous years. These carryover funds had been matched prior to the FY 2016-2017 by 10% state funds. As the state match is provided by a state budget line item, the reduction is budgeted to continue in the FY 2018-2019.
• **Small municipal dues increase recommended**

As discussed at the Executive Committee meeting on April 25, 2018, the proposed FY 2018-2019 SCRCOG Budget includes a dues increase of 5 cents per capita. This dues increase is intended to improve SCRCOG’s ability to provide match for and fully utilize federal transportation funding without creating unsustainably large carryovers of unused funds and also to cushion against further state funding reductions.

• **Total budget decreased from $2.7 to $1.9 million**

The proposed SCRCOG budget for FY 2018-2019 will total $1,977,899 as compared to a FY 2017-2018 budget of $2,727,116. This decrease is due to many factors. It is the second year of the Unified Planning Work Program (UPWP) with the bulk of the federal transportation carryover funds budgeted for the first year. Several non-transportation grants expired this year or are winding down.

• **Utilization of federal transportation carryover funding**

Federal and state transportation funding will decrease in FY 2018-2019 to $1,467,695 from a current funding level of $1,857,564. Carryover funds in the amount of $486,026 were available under the UPWP for use in both FY2017-2018 and FY 2018-2019. The decrease is due to the expenditure of carryover funds in FY 2017-2018, reducing the available amount for FY 2018-2019 to $128,668.

• **Non-transportation grant funding is decreasing**

Several large competitively-awarded grants (Regional GIS Program, CIRCA Municipal Resilience Grant, and National Fish and Wildlife-Coastal Resilience Planning Grant) ended this year, and several others are winding down (Regional Open Space Inventory and Regional Hazard Mitigation Plan).

Resolution

South Central Regional Council of Governments Budget
Fiscal Year 2019 (July 1, 2018 – June 30, 2019)

Whereas: South Central Regional Council of Governments (SCRCOG) By-Laws prescribe that the Council shall review and approve SCRCOG budgets, and

Whereas: SCRCOG’s Executive Committee has reviewed and recommends acceptance of the proposed Fiscal Year 2019 budget totaling $1,977,899

Now, therefore be resolved by the South Central Regional Council of Governments:

That a Fiscal Year 2019 Budget is adopted (copy attached), and

That Fiscal Year 2019 SCRCOG municipal dues are established at 34 cents per capita, per the Connecticut Department of Public Health’s July 2016 population estimates.

Certificate:

The undersigned duly qualified and acting Secretary of the South Central Regional Council of Governments certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the SCRCOG on May 23, 2018.

Date: May 23, 2018

By: _________________________
First Selectwoman Beth Heller
Secretary
South Central Regional Council of Governments
Updates to the 2018-2023 South Central Connecticut Economic Development Strategy
May 23, 2018

Strategy for Economic Success

1. Page 11: Updated data to reflect Yale New Haven Hospital, not the entire health system
2. Page 21: Expand the information on biology and bio-technology programs at Southern Connecticut State University
3. Page 22: Added Milford and West Haven as dredging projects
4. Page 22: Added potential use of dredged sand for beach erosion mitigation
5. Page 22: Modified the statement regarding Tweed to: If the statute was repealed to allow the paving of the current runway safety areas, the airport could accommodate commercial jets used by other airlines.
6. Pages 23-32: Re-ordered the Action Items by expected date of completion
7. Page 27: Added Move New Haven project to Action Items
8. Page 27: Added West Haven projects including Allington, The Havens, Stiles and TOD along with the replacement of the Kimberly Avenue Bridge to Action Items
9. Page 28: Added Milford and West Haven as dredging projects as Action Items
10. Page 32: Added creating a tourism brand for Greater New Haven to strengthen the State brand as Action Item

Other: Minor proofreading and formatting adjustments.
Resolution

Approving the South Central Connecticut: Comprehensive Economic Development Strategy 2018-2023

Whereas: South Central Connecticut aims to develop the region’s resiliency, diversity, and community while striving for the creation and implementation of business-friendly policies and projects that result in a more attractive business environment and higher quality of life for its residents;

Whereas: South Central Connecticut is a designated Economic Development District (EDD) through the US Economic Development Administration (US EDA);

Whereas: REX Development is responsible for developing a Comprehensive Economic Development Strategy every five years that is amended annually, as required by US EDA;

Whereas: The purpose of the 2018-2023 Comprehensive Economic Development Strategy (CEDS) is to create a cohesive plan for the entire region to promote economic activity and to prepare for potential economic disruptions; and

Whereas: The plan was developed over the past year by a broad spectrum of regional stakeholders from the public, private, and nonprofit sectors.

Now, Therefore, Be It Resolved By the Council of Governments

That the South Central Connecticut: Comprehensive Economic Development Strategy 2018-2023 is hereby approved.

Certificate

The undersigned duly qualified and acting Secretary of the South Central Regional Council of Governments certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Council of Governments on May 23, 2018.

Date: May 23, 2018

Carl J. Amento, Executive Director
Business Recruitment, Retention & Expansion

Working with three healthcare/bioscience and one software companies on attraction (1), retention and expansion (3) opportunities

Evotec expanding in Branford

Bioasysis business expansion

Attending BioMed Tradeshows in Boston and met with 31 domestic and international companies

DECD Bio/Life Science Luncheon with the Hungarian ambassador

Attended Growing Greater New Haven’s Digital Tech Industry presentation

Global Expansion

Attended Hannover Messe Advanced Manufacturing Tradeshows with available site information provided by towns and met with 25 companies. There are two companies who are actively pursuing a US location on the east coast.

Met with 45 travel and tour operators at Discover New England, including representatives from the UK, Germany, Australia, Japan, The Netherlands, China, France, Italy and Ireland

Attending Bio2018 in Boston, June 2018 in partnership with the Town of Branford and BioCT (formerly CURE)

Regional Collaboration/2018 CEDS

Finalized the 2018-2023 CEDS document with inclusion of comments—Greater New Haven: A Strategy for Success
Integrate Arts, Culture & Preservation with Economic Development

Tourism
Promoted Connecticut Open House Day to the tourism attractions and towns, 6/9
Attended the Connecticut Governor’s Conference on Tourism
Met with SCRCOG to structure tourism contracts
Scheduled statewide brochure swap for 5/22

Infrastructure
Extensive community outreach to garner support for the paving of the runway safety areas at Tweed. We had strong support from our partners and over 500 electronic petitions submitted in favor of expanding service at the airport. Unfortunately, the bill never made it to the Senate floor for a vote. We will continue our efforts for improved service.

Attended SCRCOG Freight Study Meeting

Advocacy
Tweed presentation to Planning and Development Committee of the New Haven Board of Alders
Mobilized lodging industry to oppose the increase in occupancy tax to 17% (B&Bs to 13%) and a decrease in statewide tourism marketing

Connecticut Lodging Association
Trafficking-in-Persons Council Meeting and Training
CLA Board Meeting

Media
Media hits on Tweed Airport, Hill-to-Downtown
Inquiry from American Pickers
Inquiry from Great American Baking Show
Inquiry from WhereTraveler.com
Inquiry from Reader’s Digest
CLA Press Release: CLA member wins 2018 Connecticut Governor's Tourism Award - John Mathers of the Madison Beach Hotel

CTrides: Quarter 1 Marketing Activity Summary
January - March 2018

Drive Less Connecticut Competition

The main CTrides Marketing focus for Q1 revolved around preparation and planning for our Drive Less Connecticut Competition. This month-long competition during May will encourage employers and individuals to compete for recognition and prizes, respectively, for reducing the most number of single-occupant vehicles used for commuting in order to reduce miles traveled and auto emissions. To prepare for the competition, CTrides created a landing page to promote all aspects of the competition at www.drivelessct.com, which includes information for commuters and employers. Employers are provided tools to help promote the message within their organization, and encourage commuters to take choice commutes and log the trip afterwards. Prizes are available for users who log trips in the CTrides ridematching and rewards platform.

BEworks CTrides Worksite Outreach Program

During the First Quarter, BEworks completed the Discovery component of the Strategy Development phase of the project in which BEworks reviewed the interviews it conducted with CTrides staff, CTDOT staff with whom CTrides works, the CTDOT Commissioner, and several CTrides employer partners. It observed CTrides activities in the field. It also reviewed all currently used marketing and communications materials, and available data on CTrides activities.

This phase was followed by a Behavioral Diagnostics component in which BEworks conducted a search and review of scientific literature, conducted a behavioral audit of each step of CTrides interaction with employers and employees, and developed a detailed Behavioral Journey Map for interactions with employers and employees. A workshop was held on January 23 to review learnings, identify observable target outcomes and metrics, discuss the key findings and observations, and presented the Behavioral Journey Maps in preparation for the final component of the Strategy Development phase called Ideation or the development of strategies to improve engagement with employers and employees at several key steps along the journey map.
CTrides: Quarter 1 Marketing Activity Summary (Continued)

January - March 2018

BEworks CTrides Worksite Outreach Program (continued)

During this quarter, CTrides staff and BEworks conducted regular biweekly conference calls to review the progress of the work, identify issues and plan for next steps. Several deliverables were prepared by BEworks as part of its scope of work including its report on the results of the Discovery and Behavioral Diagnostics components, two Behavioral Journey Maps (one for employer interactions and the other for employee interactions) and several summary interim reports.

Additional Marketing

- Updated General Marketing Materials for Outreach, including suite of easily editable posters and flyers to promote all Outreach events
- Updated CTrides.com home page to drive traffic to competition page
- Hired New Manager of Marketing and Communications, Jesse Imse
- Developed and deployed Try-It Day Surveys, and New Partner Followup Surveys
- Finalized all media planning and placements including billboards, radio, TV, digital, developed all creative and content for media
- Began building photo/video library for use in various marketing materials
- Secured format and speakers/moderator for 2018 Transportation Showcase
Participating Organization Activity

Total number of CTrides employer participants, stakeholders and community participants is 256.

Work has begun to inventory and classify all participant activities in preparation for the upcoming Transportation Leaders program. We’ve identified 6 participants who already stand at the Platinum level, and 20 more primed to make the step up from Gold to Platinum. The Transportation Leaders program is set to launch in June 2018.

The CTrides Outreach Team held 204 Worksite Meetings and 96 Commuter Events with our worksite partners during Q1. The total number of participating organizations is at 256.

This quarter’s worksite activity, segmented by region, can be found on the following pages. A complete list of program organizations/stakeholders is in Appendix A.
# Regional Worksite Highlights

**Western CT** includes Litchfield, Housatonic, Bridgeport & Stamford regions

**Highlights**

**Cartus:** Started strategy for 2018 carpool promo events and preferential carpool parking program, held quarterly carpool space raffle for employees

**Norwalk Community College:** New Student Orientation Day with CTtransit presence and U-Pass promotion

**St. Vincent’s College:** Obtained student zip codes for plot map analysis, began planning for Transit Try-It Day

**Marcus Partners:** Continued visibility for Norwalk Transit / Metro-North service at events, including upcoming Earth Day event.

**Porter and Chester (Waterbury):** Began attending career service seminars and lunchtime table events, using interactive games to drive engagement.

**University of Bridgeport:** Attended two high-traffic events centered around semester kick-off, increased GBT presence on site.

**Naugatuck Valley Community College (Waterbury):** Attended New Student Orientation to promote local CTtransit service, refreshed several schedule boards on site.

**Global Steering Systems:** Held several Meet-Your-Match events to promote Try-It Day, yielding 19 carpools with 35 participants.

**The Independence Center:** Planned presentation and meeting to promote CTrides programs

**Thule Inc.:** Held initial meeting to plan ongoing outreach in English and Spanish language

**Events**

- Cartus
- Global Steering Systems
- Naugatuck Valley Community College (Waterbury)
- Norwalk Community Technical College
- Porter and Chester Institute (Waterbury)
- Stone Academy (Waterbury)
- The Workplace
- University of Bridgeport
- University of Connecticut - Stamford

Customer Service Updates

PA Automation
Ongoing testing and development.

Contact Center Overhaul
Rolled out Salesforce integration with email and web forms being fully integrated, and email branding operational. Began Phase II which covers phone system integration.

Emergency Ride Home (ERH) Incentives
CTfastrak Rewards
CTfastrak Rewards program, containing 60 rewards partners.

Telewok
State Education Resource Center updated telework and severe weather policies with CTfastrides assistance.

Customer Service Details:

- **5,575 Total** Inquiries into CTfastrides
  - *1,926 inbound calls*
    - 4 inquiries about available disabled services
    - 1 bilingual inquiries
  - Responded to 2,917 email inquiries
    - Great or OK rating on 77% of emails
  - 310 marketing/informational outbound calls
  - Facilitated 422 live online chats of which 87 were SMS (text) chats
    - 4.7 out of 5 (best) avg. rating on all chats

- **Provided 16 Emergency Rides Home** to 8 vanpool riders, 7 express bus riders, and 1 Shore Line East rider.

- **Distributed 6 trial bus passes to commuters** meeting the program’s Trial Ride criteria.

- **A follow-up survey** for the quarter tallied 3 responses with 1 using the pass, respondent will continue to use transit and rated the service a 4 or better out of 5.

Customer feedback:

“Wanda sent a very prompt response. I thought my email would get lost in the shuffle. Early Monday morning Wanda responded. Great!”

“Lisa went above and beyond for me! I have been trying to figure this out for days. I am grateful for the extra mile customer service.”

“Thanks for perfectly giving all the needed information.”

“Great experience using the live chat support!”

“Thank you for following up and making sure I’ve received the information.”

“Please keep the trains running despite what the governor wants to do. I take the train every day. The proposed schedule is not good for we commuters... Thanks, Susan Chamberland”

“IF SLE WAS AS GOOD AS CINDY WE WOULD NOT BE HAVING A PROBLEM!!!!!!”

“Very timely reply with everything I needed.”
CTrides Ridematching & Rewards Program

CTrides added **795 new members** to the Ridematch & Rewards program in the first quarter of 2018.

The transition for CTrides White Labeling was completed for March 2018. All NuRide branding has been switched to seamless CTrides branding on the old nuride.com/ctrides web address, which is now ctrides.nuride.com. This gives the user a more consistent experience when navigating between ctrides.com and our ridematching & rewards platform. CTrides and NuRide worked together on customizations to the ridematching & rewards platform to help promote May’s Drive Less Connecticut Competition as well, from ongoing communications blasts to placement of relevant competition data on user dashboards and non-signed in visitors to the login portal.

**Miscellaneous**

CTrides has acquired iPad tablets for field use, provided by NuRide. This allows all Commuter Program Managers a fast an easy way to demonstrate the ridematching & rewards platform, as well as collect new user signups without the use of traditional pen and paper signups. On the customer service side, this has significantly decreased the time needed to process new user signups.

A major focus continues to be the launch of a CTrides Ridematch and Rewards Android-capable app. The app is a top priority as nearly half of the users of the service use an Android phone and are unable to download the current app (only available on Apple devices). Because of the variety of operating systems that use Android, launch of the app has been pushed to Q2 for proper testing procedures. As of Q1 2018, testing is still under way.
As of Q1 2018, there are more than 200 businesses, agencies and municipalities working with CTrides
